PARENTS, KIDS, AND PORNOGRAPHY

The Attack on a Generation

This webinar will explore the use of pornography by youth within the faith community, the impact of its destructive messages on both attitudes and behavior and practical steps that parents and pastors can take in helping young people navigate this minefield of lies and deception.

Webinar outline:

GOD'S DESIGN: *What is God's message about purity, sexuality and marriage? Why is God's truth best for youth? What are the blessings of following God's ways?*

THE REALITY: *Our youth are looking at pornography in staggering numbers. They are not exempted from the challenge and its destructive impact which lasts beyond the days of childhood into adulthood and marriage.*

MOVING AHEAD: *In the face of the challenge what are parents and pastors to do? When should we be talking to our youth about the issue? How do we do this? What are some steps we can take with users and those who have become addicted? How do we help them in safely using the technological devices that are connected to the internet?*

Schedule:

NOVEMBER 7, NOON EST AND NOVEMBER 16, 8PM EST

The webinar will last an hour and is free. Register at:
